Diesel Engine Troubleshooting Workshop Offered in Gig Harbor

Washington Sea Grant (WSG) and the Gig Harbor Boat Shop are co-sponsoring a Diesel Engine Troubleshooting Workshop in December for commercial fishermen and recreational boaters.

The workshop will focus on high-impact troubleshooting, covering filters, cooling systems, fuel pumps, lubrication and more. The instructor is Larry Blais, an accredited marine surveyor specializing in boat systems and engines.

When: Wednesday and Thursday, Dec. 5 and 6
6-9 p.m. each evening

Where: Gig Harbor Boat Shop
3805 Harborview Dr., Gig Harbor

Fee: $60. Space is limited, so pre-registration is advised.

To register or for more information, contact WSG Continuing Education Coordinator Sarah Fisken at (206) 543-1225 or sfisken@uw.edu.

Based at the University of Washington, Washington Sea Grant provides statewide marine research, outreach, and education services. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce. http://www.wsg.washington.edu/
