Boat Engine Maintenance Workshop Offered in Seattle

Washington Sea Grant (WSG) and the Port of Seattle Fishermen’s Terminal are cosponsoring a Diesel Engine Troubleshooting Workshop in July for commercial fishermen and recreational boaters.

The workshop will cover high-impact troubleshooting, focusing on filters, cooling systems, fuel pumps and lubrication. The instructor is Larry Blais, an accredited marine surveyor specializing in boat systems, specifically engines.

When: Monday and Tuesday, July 11 and 12, 6:30-9:30 p.m. each night.
Where: Nordby Conference Room, Nordby Building, Fishermen’s Terminal, Seattle.

The fee is $60. Space is limited, so pre-registration is advised.

To register or for more information, contact WSG Marine Education Coordinator Sarah Fisken at (206) 543-1225 or sfisken@u.washington.edu.

Based at the University of Washington, Washington Sea Grant provides statewide marine research, outreach, and education services. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce. http://www.wsg.washington.edu/
