### **Learn About Diesel Engine Troubleshooting and Maintenance in Port Hadlock**

Washington Sea Grant, Jefferson Education Center, WSU Jefferson County Extension and the Northwest School of Wooden Boatbuilding are co-sponsoring a three-evening Diesel Engine Troubleshooting and Maintenance Workshop, April 21, 23 and 25, in Port Hadlock, Wash.

Designed for commercial fishermen and recreational boaters, workshop sessions will be held 6:30-9:30 each evening at the Northwest School of Wooden Boatbuilding, 42 N. Water St. (across from the Ajax Café) in Port Hadlock.

The workshop will include an overview of troubleshooting and maintenance and focus on fuel, lubrication, electrical, cooling and exhaust systems.

The fee for the seminar is \$60. Space is limited, so pre-registration is advised.

For more information, contact Sarah Fisken, Washington Sea Grant, at (206) 543-1225, or Matt Lyons, Jefferson Education Center, at (360) 379-4034.

*Washington Sea Grant, part of the University of Washington's College of Ocean and Fishery Sciences, funds marine research and works with communities and businesses to manage and protect marine resources.*
