Washington Sea Grant Offering Marine Refrigeration Workshops in Port Townsend

Washington Sea Grant (WSG), Integrated Marine Systems and the Jefferson Education Center will present two Marine Refrigeration Workshops in Port Townsend in February and March.

The workshops are scheduled for 10 a.m.-4 p.m. on Saturday, Feb. 20, or Saturday, March 20, at Integrated Marine Systems, 775 Haines Place, Port Townsend.

Topics include theory, general maintenance, controller programming, charging with Freon, thermal expansion valve adjustment and more. A 7.5-ton refrigeration unit will be used as a training aid during class.

The fee is $30. Space is limited, so pre-registration is advised.

To register or for more information, call WSG Continuing Education Coordinator Sarah Fisken, 206-543-1225, or Jefferson Education Center Director Matt Lyons, 360-379-4034.

Based at the University of Washington, Washington Sea Grant provides statewide marine research, outreach, and education services. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce. http://www.wsg.washington.edu/
