Learn about Marine Refrigeration in Port Townsend

Washington Sea Grant (WSG), Integrated Marine Systems and the Jefferson Education Center are co-sponsoring two one-day Marine Refrigeration Workshops in Port Townsend in March and April.

**When:** Saturday, March 12, and Saturday, April 16; 10 a.m.-4 p.m. both days.
**Where:** Integrated Marine Systems, 755 Haines Place, Port Townsend, Wash.

Topics include theory, general maintenance, controller programming, charging with Freon, and thermal expansion valve adjustment. A 7.5-ton refrigeration unit will be used as a training aid during class.

The fee is $30. Space is limited, so pre-registration is advised.

To register or for more information, contact Sarah Fisken, WSG Continuing Education Coordinator, at 206-543-1225 or sfisken@u.washington.edu.

*Based at the University of Washington, Washington Sea Grant provides statewide marine research, outreach, and education services. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce.
