Marine Electrical Wiring Workshop Offered in Tacoma

Washington Sea Grant (WSG) and the Foss Waterway Seaport are cosponsoring an all-day Boat Marine Electrical Wiring Workshop in May for commercial fishermen and recreational boaters.

The workshop is designed for boat owners who want to upgrade their vessels’ electrical systems. Topics include American Boat and Yacht Council standards for safest wiring, wire size selection, circuit breaker and fuse ratings, cable routing and labeling, shore power circuits, battery charging circuits, corrosion protection circuits, engine instrument systems and troubleshooting.

When: Saturday, May 21
9 a.m.-5 p.m.

Where: Foss Waterway Seaport
705 Dock St., Tacoma
www.fosswaterwayseaport.org

The fee is $80. Space is limited, so pre-registration is advised. To register or for more information, contact WSG Marine Education Coordinator Sarah Fisken at (206) 543-1225 or sfisken@u.washington.edu.

Based at the University of Washington, Washington Sea Grant provides statewide marine research, outreach, and education services. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce. http://www.wsg.washington.edu/
