

Potential loss of 45  
fishing permits in the  
next in the next 8 yrs

Goal: Secure fishing  
rights for long-term  
access to fisheries  
that provide for  
expanding fishing  
portfolios and  
opportunities for new  
entrants

## Community Fishing Assoc

- A program to secure fishing rights for the future of fishing at Port Orford
- Help fishermen expand their fishing portfolio to stabilize businesses
- Provide opportunity for new entrants

## Community Supported Fishery

- Increase value of fish to fishermen
- Connect the consumer to the producer
- Provide health, high quality seafood to consumers

# Community Fishing Network
