When
Saturday, March 16, 2019
9:00 a.m. - 4:00 p.m.

Where
Nordby Conference Room
Nordby Building
Fishermen’s Terminal
3919 18th Ave. West
Seattle, WA

Fee
\$80

Washington Sea Grant and the Port of Seattle Fishermen’s Terminal are cosponsoring a Marine Wiring workshop at Fishermen’s Terminal for commercial fishermen and recreational boaters.

The Marine Wiring workshop is designed for boat owners who want to upgrade their vessels’ electrical systems. Topics covered include safest wiring practices, selecting wire sizes, circuit breaker and fuse ratings, cable routing and labeling, shore power circuits, battery charging circuits, corrosion protection circuits, engine instrument systems and troubleshooting.

Registration is required. To register or for more information contact Sarah Fisken, 206.543.1225 or sfisken@uw.edu
