Introduction to Marine Refrigeration – February 11 at Pacific Fisherman’s Shipyard

Learn how to chill your catch!

Join instructor Doug Canon from Marine Refrigeration Solutions for a workshop on marine refrigeration. The workshop is co-sponsored by Washington Sea Grant, Integrated Marine Systems and Marine Refrigeration Solutions.

Topics covered include:

- Why chill
- Ways to chill
- Pros and cons to chilling
- How to save time and money when adding a chilling system
- Components and considerations for a quality marine refrigeration system
- Refrigerated Sea Water (RSW) demonstrations will also be included in the workshop.

When: February 11, 2017
9 a.m. to 4 p.m.

Where: Pacific Fishermen's Shipyard
5351 24th Ave. NW
Seattle, WA 98107

Fee: \$200 Note: The workshop fee is \$600 and Integrated Marine Systems is providing a scholarship of \$400 per person, making the total adjusted fee \$200.

Pre-registration required. To register or for more information contact Sarah Fisker
206.543.1225, or sfisker@u.washington.edu

Washington Sea Grant, based at the University of Washington, provides statewide research, outreach, and education services addressing the challenges facing our ocean and coasts. The National Sea Grant College Program is part of the National Oceanic and Atmospheric Administration, U.S. Department of Commerce. www.wsg.washington.edu.
